AUTHORIZATION

Dear ma'am/sir,

I apologize that I can not personally process the required documents I need for the PNP application since I am already here in Camp BGen. Rafael T. Crame, Quezon City, as a PNP-NSU applicant. I did bring original copies and authenticated copies for the required documents to be submitted. Unfortunately, it is not enough since we are required more than what i already have. And so, since it is urgent, i am personally giving Atty. Dodelon F. Sabijon and Jomar Cuetara, the full authority to process and claim the documents on my behalf. It is urgent, and we're given enough time to process it, and since I do not have the financial capacity to return home, lead me to decide and turn to this option.

Humbly asking for your understanding and I am hoping for your consideration. Thank you very much and more power.

PS. If you wish to verify, this is my personal contact number 0961-816-6070.
