HON GRAEME JUNE Y. ELMIDO

DOJ Regional Prosecutor

Department Of Justice

DOJ Building, M. Velez St., Guadalupe, Cebu City

Dear HON GRAEME JUNE Y. ELMIDO;

Greetings in the name of partnership for service.

On behalf of the University of Cebu Main Campus College of Criminal Justice, we the undersigned would like to express our gratitude for the partnership that we have established and hereby express our hope for continued collaboration with your institution. It is an honor for our criminology Interns to be given the opportunity to articulate their theoretical knowledge with actual practical experiences in your office.

The Criminology Internship Program of the University of Cebu Main Campus would once again seek partnership with your institution as we both desire to produce responsible young citizens and future workers.

If the plan pushes through, the team interns of Practicum 1 Batch **MADALAGSIK** will be rendering their practical work of their duty in your good office. The target duty start is on **August 3, 2026, from Monday to Friday at 7:30 – 11:30 AM to December 11, 2026**. The team of interns will render a one month rotation per team.

The College of Criminal Justice Family believes that by immersing our students in your institution, they can further improve their knowledge and skills that would also enhance their discipline and work perspective once they are employed in the future. It is, therefore, our hope that we can make the practical work experience of our students as successful and meaningful in terms of achieving our objectives and goals.
